

***Press release****Astana, June 30, 2023***“KazTransOil” JSC has supplied 290 thousand tons of Kazakh oil to Germany since the beginning of 2023**

Since the beginning of 2023, the volume of Kazakh oil supplied through the system of main oil pipelines of Transneft PJSC in the direction of the Adamova Zastava oil delivery point for further delivery to Germany amounted to 290 thousand tons.

In December 2022, “KazTransOil” JSC sent an annual application for the transportation in 2023 of 1.2 million tons of kazakh oil through the system of main oil pipelines of Transneft PJSC in the direction of the Adamova Zastava oil delivery point for further delivery to Germany. This transit of oil is carried out within the framework of the relevant agreement between the Government of the Republic of Kazakhstan and the Government of the Russian Federation dated June 7, 2002.

“KazTransOil” JSC confirms that it is technically possible to transport 1.2 tons of Kazakh oil in the direction of the Adamova Zastava oil delivery point for further delivery to Germany, but the actual volumes of oil transportation depend on the requests of oil companies.
