

Press release

Sberbank will return to its customers up to 1.2% of the cost of purchases for payment by cards

July 4, 2017, Almaty – Now the owners of Sberbank cards will begin to receive a refund for own purchases. Cashback will be made not only for payment of goods and services through POS-terminals, but also for purchases by cards in the Internet.

"Today, Sberbank is pleased to offer all its customers one of the highest Cashback in the financial market. Refund is charged for any purchases made with the help of a bank card. This service operates on all new and previously issued cards", Aleksey Akimov, Deputy Chairman of the Management Board of SB Sberbank JSC, emphasizes

After making a purchase, a customer will receive information on the refund amount via SMS, and on the last day of the month Cashback amounts for all purchases will be accrued to the cardholder's account.

Advantages of Cashback for Sberbank cards:

- One of the largest % Cashback regardless of the segment of trade;
- Sberbank returns money, not bonuses.

The higher the card status, the higher Cashback:

Classic cards: - Visa Classic, Master Stand Standard, CUP Classic - cashback 0.5%;

Gold cards: - Visa Gold, Master Card Gold, CUP Gold - cashback 1%;

Platinum cards: - Visa Platinum, Visa Infinite, Master Card Platinum, Master Card World Elite, CUP Platinum, CUP Diamond Chip - cashback 1.2%.

Note * Cashback is not accrued to co-branded cards such as Nomad Gold, Nomad Black Edition, OTT World cards, business cards, corporate cards, Electron and Virtuon cards. In addition, customers will not receive a refund for transactions in the mobile or web version of Sberbank Online. At the same time, Cashback is not accrued for the return transactions or cancellation of purchases, it will be written off from a card.
